Job Description:

We are seeking an individual to work in our Outer Layer department. Position will be cross-trained for other positions within the company as needed.

DUTIES:

- Take inventory of the jobs that need to be processed
- Verify system downloads are correct for the job
- Scan the products with the AOI machine
- Follow the detailed work instructions
- Utilize a post edge punch machine to create holes in circuit board layers
- Ensure work gets done safely and efficiently

To find us take Hwy 169 to Bren Road. Take Bren Road West 1 mile. Turn right at the blue mailbox. Enter door under Blue awning with Holiday Circuits printed on it.
