## Job Description:

We are seeking an individual to work in the Maintenance Department. This position entails maintenance of both the machines and the building. We would like someone with experience in a manufacturing environment.

### Job Duties:

- Diagnose equipment problems and repair equipment as needed
- Perform equipment preventative maintenance
- HVAC, electrical, and plumbing duties
- Some welding (MIG and TIG)
- Repair the air compressor when needed
- Remodeling and demolition as needed
- Some carpentry when necessary
- Assist in the installation of new equipment
- Operate fork lift
- Practice LOTO and other safety procedures
- Participate in the emergency response team (ERT)
- Become respirator trained once hired

To find us take Hwy 169 to Bren Road. Take Bren Road West 1 mile. Turn right at the blue mailbox. Enter door under Blue awning with Holiday Circuits printed on it.
